CERTIFICATE UNDER 37 C.F.R. §3.73(b)

Dear Sir:

Takata Corporation, a corporation certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of an Assignment from the inventor of the patent application identified above to Takata Corporation. The assignment was recorded in the Patent and Trademark Office at Reel 013053, Frame 0376 and for which a copy thereof is attached.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of the undersigned's knowledge and belief, title is in the assignee identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false

statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
